ACCOMMODATION SUGGESTIONS

WOCMES Barcelona 2010 (from 18 to 25 July) has put together this proposal for accommodation for our participants directly within the Venue of the event. In this booklet one could find the description of different accommodation options within the Vila Universitaria [University Apartments], within the UAB campus. It is highly recommended to have accommodation reservations by May 17th 2010, for after that date availability of rooms is no longer guaranteed.

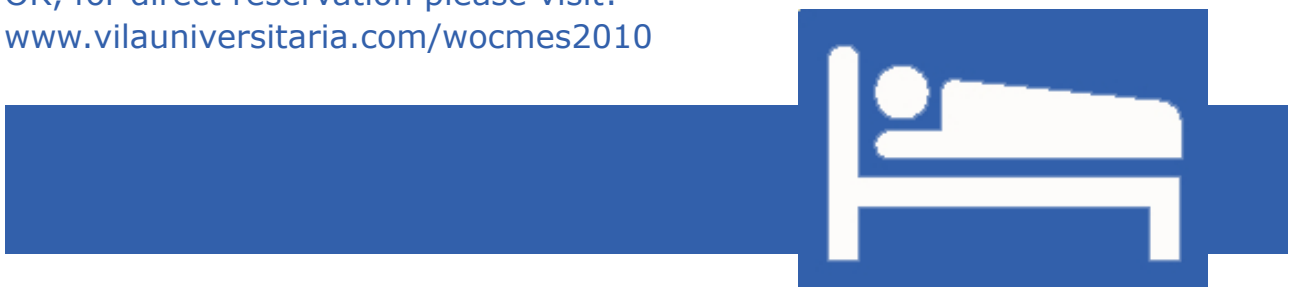

For more information or for reservation of a place at Vila Universitaria please contact:

To arrive from Barcelona to the Vila Universitària please take the train FGC (Ferrocarrils de la Generalitat de Catalunya) from Catalunya Square, direction Sabadell (S5), or direction UAB (S55), and step out at Bellaterra station. Once outside of the station, please follow the signs "Campus UAB" and "Hotel Campus". On the way lies a nice path that continues through the forest. Following this path, the establishments would be in a 5 minutes walking distance.
